

## ADVANCED WOMEN MOVING FORWARD®

The 2-day format will have the following expected outcomes:

1. The participant will start to identify or identify their purpose in life.
2. The participant will know the properties of purpose.
3. The participant will know how this supports their work and how to maximize their work contribution using their purpose.
4. The participant will know and know how to use intention to attain higher levels of productivity.
5. The participant will be able to bring in to being bigger results using their knowledge of **Creation, Intention, and Purpose.**

### PRE-REQUISITES

- **Women Moving Forward®**
- If you want to attend the **Women's Leadership Retreat™**, you must complete this workshop first.

### WHO SHOULD ATTEND

- Any woman who is a graduate of **Women Moving Forward®** and who wants to improve her productivity and lead a more purposeful life.
- Any woman who plans to attend the **Women's Leadership Retreat™** and has not attended before.
- Any graduate of **Women Moving Forward®** who wants to continue the process they start.
